IMPACT
CONFERENCE
DECEMBER 27-29, 2013
CORALVILLE, IA

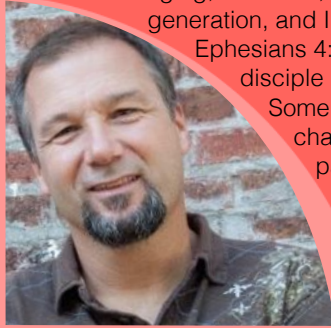

THE BAND

Influenced by Hillsong and U2, The Spark blends sophisticated instrumentation with spiritual surrender--ultimately allowing the Holy Spirit to orchestrate the final outcome. They have a deep & sincere desire to introduce the love of God through their music on whatever platform they are invited to. "Worship doesn't equal music. Songs are merely a tool for Her (the Church) to open Herself to Jesus; real communication in the moment."

THE SPARK

I love Jesus, my wife, our seven kids, Eysals coffee, Apple computers, motorcycles, training trainers, chocolate, learning, volunteers, the Church, Gibson Les Paul guitars, the blues, laughing at myself, training, coaching, mentoring, equipping, encouraging, the Cubs, the next generation, and I'm obsessed with Ephesians 4:11-12 and Jesus' disciple making METHODS.

BILL ALLISON

Some of my goals are to chase a tornado, survive parenthood, drive in a smash up derby, & ride a motorcycle with my wife from Chicago to LA on old Rt. 66.
