

Greetings in Christ to you, fellow church worker! Remedy Drive is coming back to central Iowa! Bring a group from your church and experience a great night of music, **January 22nd**, in Roland, IA! Remedy Drive is a four-brother band (David, Philip, Paul and Dan Zach) and has been cranking out their brand of music as a full-time indie band for the past five years. They are in the midst of their 'Daylight is Coming' Tour. With a message of hope for the searching and a desire to reach beyond a static life for something bigger, Remedy Drive combines a heart-on-a-sleeve sensibility with their one-of-a-kind live show - the Midwest has never felt like this before! You may have heard a few of their songs, 'Daylight' and 'All Along,' recently on the local radio station 96.1. Also opening up is local talent Levi Faas, a passionate young man with a heart for God and skills with the acoustic guitar. The evening promises to be enjoyable and encouraging for your faith. It will also be a chance for local churches and youth groups to have a great time together. Don't miss it!

If you want a discount on tickets, we have options for you! Here's the breakdown:

- **\$5** for Group Tickets* (10 or more purchased with **FREE** group leader ticket)
- **\$7** for Advanced* Individual tickets
- **\$10** at the door
