week four: "Consider the cost"

---

1. Read Luke 14:25-33. What does Jesus mean by "hate" our families and even our own lives?
2. Do you think Jesus is too demanding of those who would be His disciples? Why?
3. In Jesus' example of building a tower or a king going to war, what is He trying to illustrate?
4. What does Jesus understand about what it means to follow Him? What does He want us to do?
5. When Jesus says, "give up everything", what does that mean to you personally?
6. Why can't we hold on to some things in this world and still be Jesus' disciples?
7. Why does Jesus think it is important for us to consider the cost of being His disciples?
8. Is the cost of being Jesus' disciple worth it for you? If so, what makes it worthwhile for you? If no, why not?
